

Dear Parents:

For the upcoming school year, we will be shifting all student medical information, ***including the annual sports participation packet***, to an online database. There are many benefits to this change including less paperwork for parents to complete each year and having more accurate information that is accessible to parents at any given time. The management system we have adopted is called Magnus Health SMR (Student Medical Record). As this is a web-based system, you will have continuous access to your child's health record as well as the ability to make updates when needed.

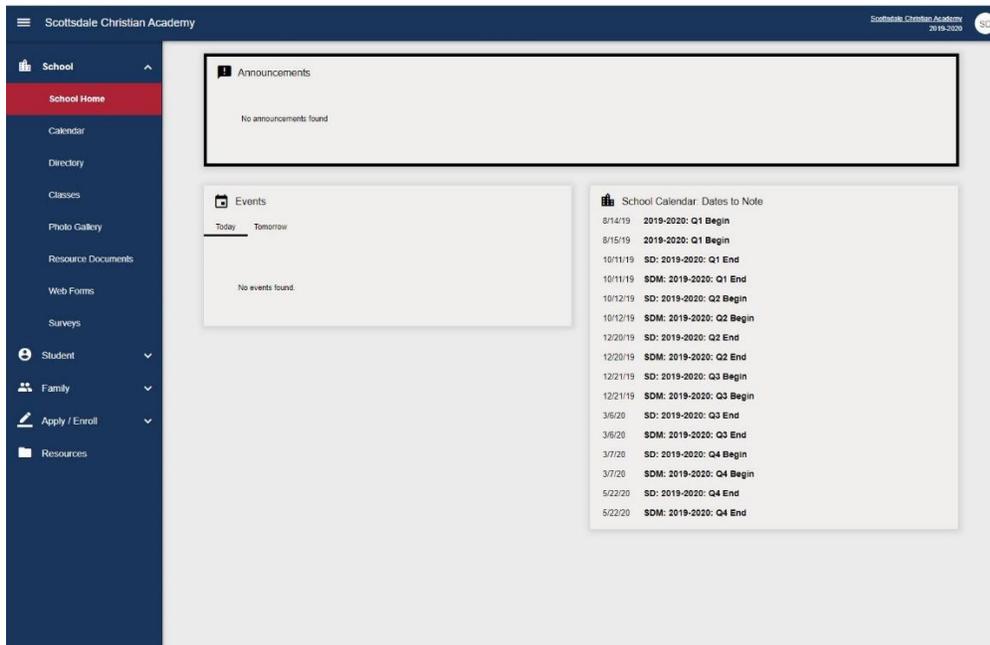

There are the typical forms to be filled out and signed, but this can be done through e-signatures this year. With that said, the preparticipation physical is the one form that will still need to be printed out and taken to a physician to be completed. Once the physician signs and dates it, it can then be uploaded into your Magnus account via the website or the Magnus health app by taking a picture of it. This will cut out any problematic areas like lost paperwork, as well as always allow you to see what is turned in or missing at any time so there are no surprises. The sports packet will contain the following:

- Consent to Treat and Parent Permission (e-signature)
- Birth Certificate (This will need to be uploaded even if it has been submitted to the Athletics office in the past.)
- Athletics Fan Agreement (e-signature)
- Preparticipation Physical Requirement (Print, sign, and resubmit)
- MTBI and Concussion Awareness Form (e-signature)
- Brainbook and Opioid Education (New as of 2021-2022 school year) Completion Acknowledgment (For HS Students Only)

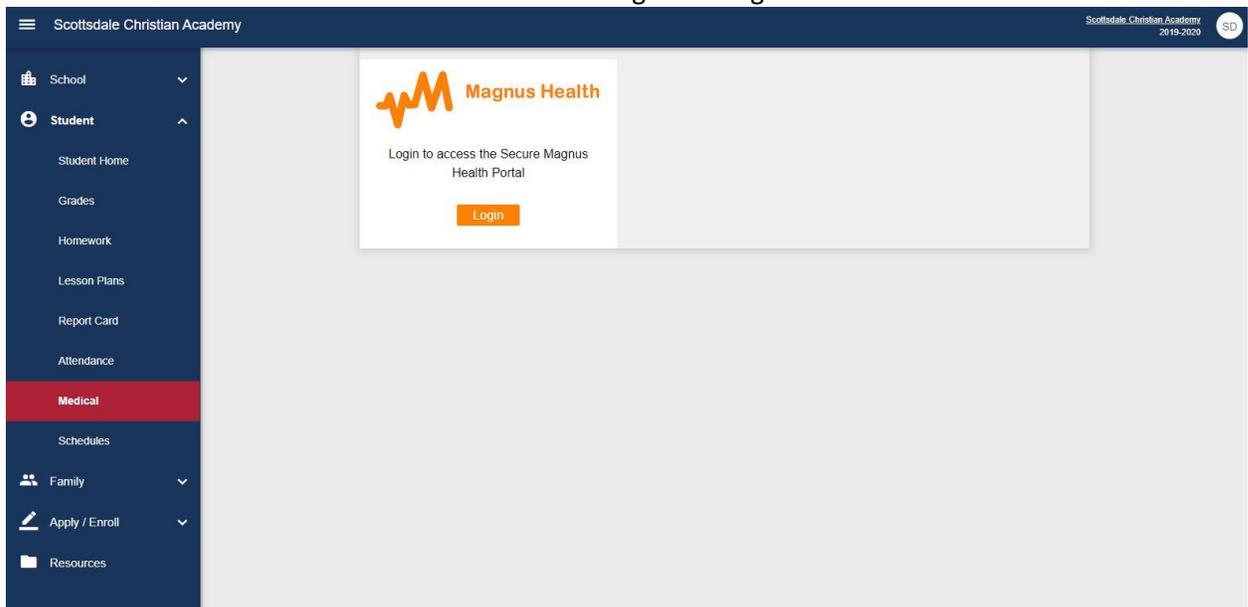

We hope that this will streamline the eligibility process. Please feel free to reach out if you have any questions.

How to get started:

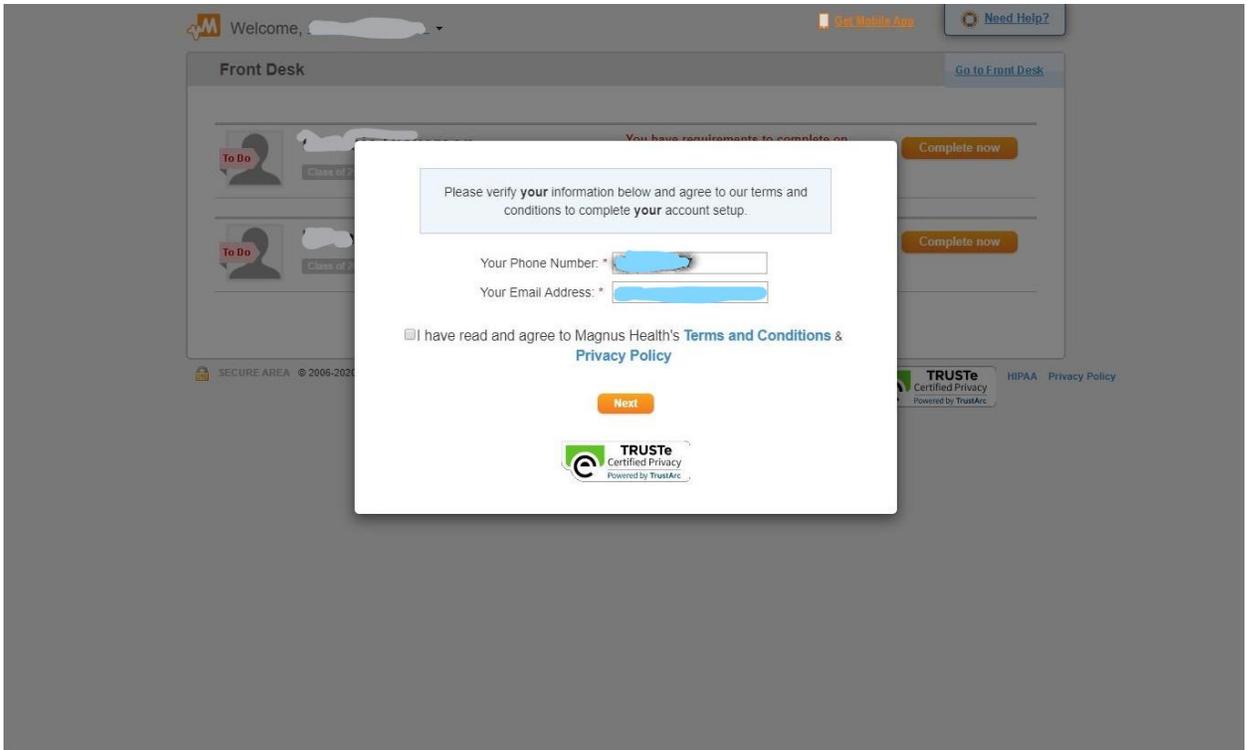

- 1) In your RenWeb home screen, click on student.

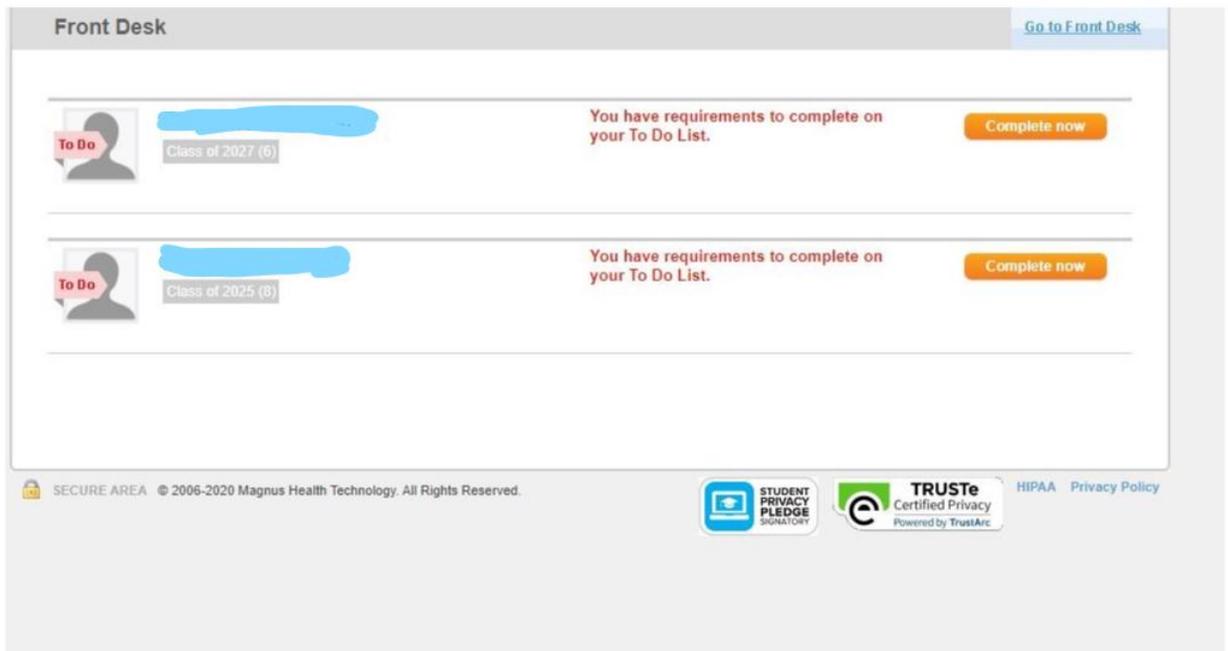

2) Under Student Section Click on Medical - Then login on Magnus Health

3) Verify your information and click next.

4) On the home screen, click on Complete Now for each of your students.

5) Select Yes or No for the required questions.

- 6) Based off of your last answers, you will have certain requirements to complete. The blue arrows denote what is the new “sports packet” (Please note that high school students will have a section for Brainbook as well). Once everything is signed, submitted, and reviewed then your student will be eligible for athletics. If anything is rejected or not approved then you will receive a notification in your magnus account.

You have 12 requirement(s) in 1

Requirement	Blank Form	Action	Answer	Status
Conditional Questions		Edit	View Answer	Complete No Approval Required
Vital Health Record <i>This is a required form that must be completed by a parent/guardian.</i>		Fill it out
